DETAILED ACTION

1. This is in response to the applicant's response filed 11/26/04.

REASONS FOR ALLOWANCE

2. After further search and thorough examination of the present application and in view of the applicant's arguments, 21-30 are found to be in condition for allowance over the prior art made of record.
3. The following is an examiner's statement of reasons for allowance: although the prior art of record teaches electronic data recording systems, which include a platform, a print medium, coupled to a stylus, wherein the platform includes antenna circuitry for communicate to an antenna element within the stylus, the prior art of record fails to disclose or fairly suggests a print medium for an election, wherein the print medium has an antenna under its surface coupled to a processor and a second antenna in the stylus coupled to the print medium receiving unit via an electrical cable, etc. These limitations in conjunction with other limitations of the dependent and independent claims would not have been obvious over, nor would have been fairly suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
